Ref. No. 3831-C-24.

Station Mangalore, Dated the 3rd April 1924.

From (Name) C.A. Souter, Esquire, I.C.S.,

(Designation) District Magistrate of South Kanara.

To The Secretary to the Government of Madras,

Law Department.

Sir,

(D) I have to refer Government to their order G.O.No.1592, Judicial, dated 15th July 1919, in which the existing ——— schedule of fares and distances under the Madras Hackney ——— Carriages Act was approved as a temporary measure for the ——— Mangalore Municipality. The intention then was to revert to (J) the old rates sanctioned in G.O.No.755, Judicial, dated 30th March 1914, after normal conditions had been restored. Such conditions are far from being restored. On the contrary, the price of fodder and food-stuffs has risen and the revision of the present rates is again necessary. Carriage drivers have

themselves represented this and the public have also complained that exorbitant rates are now being levied which they are compelled to pay.

2 The present schedule of fares is quite out of date. Mr. Wells therefore requested the District Superintendent of Police to consult leading Official and Non-official gentlemen in Mangalore on the matter. This he has done and has submitted a revised schedule appended to this letter. He proposes to increase the scale of fares by $33\frac{1}{3}$ % and to abolish the extra fares for night work. There is not much traffic at night and in addition the fixing of hours causes endless bickering between the driver and his fare.

3 Among those who were consulted by the District Superintendent of Police were the Sub Divisional Magistrate, the Stationary Sub Magistrate, the Chairman Municipal Council, the President, District Board, District Board Engineer, Messrs. Mahabala Hegde and Gollerkery Krishna Rao. Only Mr. Gollerkery Krishna Rao considers the present rates excessive. Mr. Mahabala Hegde would increase them still further. The other gentlemen agree with the view of the District Superintendent of Police. I think that the proposals of the District Superintendent of Police are reasonable and may be accepted and I recommend them for the approval of Government.

4 The rates if approved by Government will be published subsequently in accordance with bye-law No.11 of the standard bye-laws of the Madras Hackney Carriages Act 1911. I request that 250 copies of the schedule may be printed at the Government Press and supplied to me for publication and use.

Ans:

M8— (J) In G.O. 755 Jud. dt 30-3-1920 the table of fares and table of distances were fixed by the Supt. of Police for the first time, for the Mangalore Municipality. In 1919, the D.M. S. The Govt. approved the revised ~~fares~~ rates in G.O. 1592 Hom (Jud.) dt 15-7-1919. (D) The D.M. now requests the Govt. to increase the scale of fares still further by 33⅓%. The reasons are given by the D.M. in pf 1-2 cf pf 1-2 cf. It will appear that ~~before the first increase of fare is brought~~ the Dy. Supt. of Police consulted some leading officials & non-
